## Career Objective :

"Seeking a challenging role as a front-end developer to leverage 1 years of experience in crafting intuitive user interfaces. Proficient in HTML, CSS, JavaScript, and frameworks like React, with a keen eye for design and usability. Dedicated to delivering high-quality, pixel-perfect solutions that exceed client expectations."

## Summary :

- Proficient in HTML5, CSS3, JavaScript, and modern front-end frameworks such as React.
- Skilled in translating UI/UX design wireframes into code, ensuring seamless user experiences and pixel-perfect interfaces.
- Proven track record of collaborating with designers, developers, and stakeholders to deliver high-quality projects on time.
- Continuously learning and adapting to new technologies and industry trends, staying updated with best practices in front-end development.

## Skill Set :

1. Figma
2. HTML
3. CSS
4. Java Script
5. React Js
6. Wordpress

## Courses and Certifications :

1. Internet of Things(IoT) With Python.
2. Real-Time Communication System Powered by AI for Specially Abled.
3. Full Stack Development - Internship Course

## Education Qualification

| Course                 | Institute                                      | Percentage | Year |
|------------------------|--|------------|------|
| B.E-ECE                | Global Institute of Engineering and Technology | 75%        | 2023 |
| 12 <sup>th</sup> -HSC  | Thiruvalluvar Higher Secondary School          | 60%        | 2019 |
| 10 <sup>th</sup> -SSLC | Government High School                         | 80%        | 2017 |

## **Experience :**

### **UI/UX Designer:**

Knackbay | Vellore

May 2023 - Jun 2024

- Implemented responsive design principles to create visually appealing and user-friendly interfaces, ensuring seamless user experiences across devices.
- Collaborated closely with UX/UI designers to translate wireframes and mockups into interactive prototypes and front-end code, focusing on usability and accessibility.
- Developed prototypes using tools such as Figma to visualize and iterate on design concepts.

### **Front-end Developer:**

Knackbay | Vellore

May 2023 - Jun 2024

- Developed responsive web applications using HTML5, CSS3, and JavaScript ensuring cross-browser compatibility and optimal performance.
- Implemented front-end frameworks and libraries such as React.js to build dynamic and interactive user interfaces.
- Optimized front-end code for performance, including lazy loading techniques, code splitting, and minification, to enhance user experience.

### **Wordpress Developer:**

Knackbay | Vellore

May 2023 - Jun 2024

- Developed and deployed custom WordPress themes and plugins for diverse clients, ensuring adherence to project timelines and client specifications.
- Conducted thorough testing and debugging of WordPress sites to optimize performance, resolve issues, and ensure seamless user experiences across various devices and browsers.

### **Declaration :**

I hereby confirm that the above furnished information is true and correct to the best of my knowledge.
